Professional Summary

Enthusiastic Computer Science Engineering graduate, Known for meticulous attention to detailed ensuring the delivery of high-quality work within tight deadlines. Eager to embark on an entry level opportunity to apply and expand technical skills while actively contributing to a dynamic and innovative team environment. I'm self-motivated, reliable and hardworking person having the ability to work and manage the team. I am desired to learn new things, face challenges, work hard and to give my best.

Experience

Trainee

Enliven DX | Pune   02/2025 - 06/2025

- Developed and maintained RESTful APIs using Spring Boot to support core backend functionality for a web-based applications. Designed and implemented relational database schemas in MySQL, ensuring data integrity, and efficient query performance. Collaborated with the frontend team to define API contracts and ensure smooth data flow between frontend and backend.

Projects

E-commerce Backend Development Project

Spring MVC, Hibernate, Maven, Rest APIs

- Designed and implemented an e-commerce backend using Spring Boot. Developed RESTful APIs for user management, product catalog, shopping cart, and order processing. Managed database operations with Spring Data JPA and optimized queries for performance. Ensured robust error handling, input validation, and API documentation.

Alzheimer Disease Prediction

CNN Model, Deep Learning, Python Libraries

- Developed a Predictive model to identify early sign of Alzheimer's disease using deep learning techniques , Leveraged convolutional neural networks and other advanced machine learning algorithm to analyze medical imaging data and clinical records.

Certifications

IBM Java Fundamentals

Microsoft Azure AI Fundamentals

Microsoft Power BI Data Analysts

Skills

Core Java	Object Oriented Programming	Spring Boot	SQL
Operating System	Dependency Injection	Database Management System	SDLC
Spring MVC	RESTful APIs	Spring IOC	

Education

MIT Art, Design and Technology University, Pune

BTech in Computer Science & Engineering CGPA : 8.27   2021 – 2025

MIT Junior College, Pandharpur

in PCM , Perc : 93.50%   2020 – 2021

MIT VGHS School, Wakhari, Pandharpur

in Science, Perc : 80.80%   2018 – 2019
